

Peckish Produce

CHICK STARTER

Peckish Chick Starter is suitable for chicks from one day old to 8-10 weeks of age. From this point a smooth transition to Peckish Poultry Grower is recommended until point of lay.

Feeding Instructions:

To be fed ad-lib.

NOTE: Peckish Chick Starter is a small 2mm pellet, however some smaller species of fowl may require finer sized feed, and as such extra crushing or blending of this product may be necessary.

NOTE: This product contains 100% natural and organic essential oil extract containing plant phenols that help prevent coccidiosis and other gastrointestinal tract diseases. This additive helps maintain a healthy immune system, provides extra protection during stressful periods and maximizes intestinal health and leaves no residues inside the animal.

Ingredients:

Selected from: Oats, Maize, Wheat, Barley, Triticale, Lupins, Canola Meal, Soya Meal, Lucerne Meal, Vegetable Oil, Limestone, Di-Calcium Phosphate, Salt, Vitamin and Mineral Premix, Essential Oils (plant phenols).
