## GAME BIRD STARTER

Peckish Game Bird Starter has been specially formulated for a large range of game birds. Peckish Game Bird Starter features high protein and energy for maximum growth and health.

Suitable for a wide variety of game birds, including (but not exclusively) Pheasants, Ducks, Turkeys, Quail, Bantam Chickens, Partridges, Magpie Geese, Emus, Ostriches.

### Feeding Instructions:

To be fed ad-lib. Quantity will depend on type of Game Bird being fed. Some smaller species of fowl may require finer sized feed, and as such extra crushing or blending may be necessary.

### Ingredients:

Selected from: Wheat, Lupins, Canola Meal, Soya Meal, Lime, Di-Calcium Phosphate, Salt, Vitamin and Mineral Premix, Vegetable Oil.
