

## ADULT SOFTBILL BLEND - EGG & CHIA

Peckish Adult Softbill Blend with added Egg and Chia Seeds is a nutritious, wholesome blend for adult softbills. Made from all natural ingredients, the egg provides an ideal source of protein, while the chia seeds ensures that your birds are receiving the amount of calcium, omega-3 and antioxidants that they require to improve feather development, and promote healthy muscles and bones.

### Feeding Instructions:

Once fully fledged, you can begin transitioning your bird. Start their transition by feeding them a 50:50 ratio of this blend and their former junior blend. Once they become accustomed to the adult blend, subtly reduce the amount of their former junior blend over several weeks until they are completely consuming this new feed.

Can be supplemented with suitable fresh fruits and vegetables.

### Ingredients:

Selected from: Wheat, Corn, Rice Flour, Dextrose, Soybean Meal, Egg Powder, Black Chia Seeds, Water, Vegetable Oil, Vitamin and Mineral Premix.
